Dear Sir / Madam,

Sub: Disclosure under Regulation 30 of SEBI (LODR) Regulations, 2015 – Certificate of Registration (“CofR”) and Business Updates

Pursuant to Regulation 30 read with Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are happy to inform you that the Company has achieved a significant operational milestone with the receipt of the Certificate of Registration (“CofR”) for its third aircraft from the Directorate General of Civil Aviation (“DGCA”). Consequent to the receipt of the aforesaid regulatory approval, the aircraft has been formally inducted.

Amid the evolving geopolitical crisis and the expanding Middle Eastern conflict, the Company is having huge surge in orders for additional flights and charters as there is a complete shortage in capacity due to the non-availability of middle eastern carriers who are the key cargo players in the region. We are rerouting the stranded cargo by adding multiple additional flights to meet the high demand through our transshipment hubs. This includes additional flights to move from Thailand, Vietnam, Sri Lanka though Maldives.

At this hour of global crisis, our Company is doing everything possible to provide appropriate solution to our clientele and help moving the stranded cargo, keeping up our highest commitment and support to our clients.

Kindly take the above information on record.
